

Certified nurseries in the South African Citrus Improvement Scheme (CIS)

Michael Nell, Jacolene Meyer and Paul Fourie
Citrus Research International (CRI)

Nurseries participating in the Citrus Improvement Scheme are audited twice annually and star-grading given based on the nursery's final audit score. Five-star graded nurseries are audited once annually. For a more detailed description of the star-grading system, please read Cutting Edge 334.

<https://www.citrusres.com/cuttingEdge334>

The newest list of certified nurseries and their star-grading, based on the May-June 2023 audit, is appended to this Cutting Edge and can be downloaded at

<https://www.citrusres.com/certifiedNurseries>

Changes from the previous nursery list include the following:

- Cape Grow in Kraaifontein no longer participates in the CIS nursery certification scheme but will continue to make trees made from CIS certified propagation material
- Gamtoos Kwekery in Patensie is no longer certified
- HJ Joubert Kwekery in Montagu no longer participates in the CIS nursery certification scheme but will continue to make trees made from CIS certified propagation material

Gesertifiseerde kwekerye in die Suid-Afrikaanse Sitrusverbeteringskema (SVS)

Michael Nell, Jacolene Meyer en Paul Fourie
Citrus Research international (CRI)

Kwekerye wat aan die Sitrusverbeteringskema deelneem, word twee maal per jaar geoudit en 'n ster-gradering gegee op grond van die kwekery se finale ouditpunt. Vyfster-gegradeerde kwekerye word een maal per jaar geoudit. Vir 'n meer gedetailleerde beskrywing van die ster-graderingstelsel, lees asseblief Snykant 334. <https://www.citrusres.com/cuttingEdge334>

Die nuutste lys van gesertifiseerde kwekerye en hul ster-gradering, gebaseer op die Mei-Junie 2023 oudit, is by hierdie Snykant aangeheg en kan afgelaai word by <https://www.citrusres.com/certifiedNurseries>

Veranderinge vanaf die vorige kwekery-lys sluit die volgende in:

- Cape Grow in Kraaifontein neem nie meer deel aan die SVS-kwekerysertifiseringskema nie, maar sal voortgaan om bome van SVS-gesertifiseerde plantmateriaal te maak
- Gamtoos Kwekery in Patensie is nie meer gesertifiseer nie
- HJ Joubert Kwekery in Montagu neem nie meer deel aan die SVS-kwekerysertifiseringskema nie, maar sal voortgaan om bome van SVS-gesertifiseerde voortplantingsmateriaal te maak

SOUTH AFRICAN CITRUS IMPROVEMENT SCHEME: CERTIFIED NURSERIES (JUL 2023)

NB!!! Please note that according to the Agricultural Pest Act (Act No. 36 of 1983), movement of propagation material (trees and budwood) of citrus and/or related plants is prohibited from Citrus Black Spot (CBS) and Citrus Greening infected districts to districts free from these diseases.

Nurseries should advise their clients to adhere to these control measures, as they are in place to prevent the spread of CBS and Citrus Greening. The maps and tables illustrating where citrus plants can be moved legally within South Africa were described in Cutting Edge 162 and 170, available on the CRI website: www.cri.co.za. For more information contact the CIS at telephone **041-992 5366** or email cis@cri.co.za
